

UNITED STATES DISTRICT COURT

FILED 30 MAR '15 13:43 USDC-ORP

DISTRICT OF OREGON

In the Matter of the Selection and
Summoning of Grand Jurors for the
Northern Division.

Misc No. 3:15-mc-00157

UNDER SEAL

ORDER

In accordance with 28 U.S.C. Section 1861 *et seq.*, and this Court's Juror Management Plan, adopted by this Court on February 2, 2015, and approved by the Judicial Council for the Ninth Circuit on February 18, 2015, the Clerk is directed to randomly select four (4) grand jury *venires* for impanelment in Portland on, or about Wednesday, July 8, 2015. In this regard, this Court finds that:

- (a) The total number of names on the State's list of registered voters in the counties which comprise the Portland jury division¹ was certified by Oregon's Secretary of State to be 1,163,590 as of January 22, 2013. This figure represents 92% of the total presented in paragraph (c) below.
- (b) The total number of names on the State's list of registered voters in the counties which comprise the Pendleton jury division² was certified by Oregon's Secretary of State to be 104,961 as of January 22, 2013. This figure represents 8% of the total presented in paragraph (c) below.
- (c) Based upon the totals presented in paragraphs (a) and (b) above, the total number of names on the State's list of registered voters for the Portland and Pendleton jury divisions was 1,268,551 as of January 22, 2013.

¹ Clackamas, Clatsop, Columbia, Hood River, Jefferson, Multnomah, Polk, Tillamook, Wasco, Washington and Yamhill counties comprise the Portland jury division of this Court.

² Baker, Crook, Gilliam, Grant, Harney, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler counties comprise the Pendleton jury division of this Court.

- (d) For purposes of constituting four (4) grand juries to serve the Northern Divisions of this Court, names of prospective grand jurors shall be drawn from the Portland and Pendleton jury divisions in numbers proportionate to each division's percentage share of the total number of names on the State's registered voters lists for the Portland and Pendleton divisions.
- (e) Approximately 400 jurors are required to be summoned to the United States Courthouse in Portland, Oregon, in order to empanel four (4) new grand juries.

THEREFORE, in light of these findings, and in order to ensure proportional representation in the Northern Division's grand jury *venires*, the Clerk is directed to apply the following formula to randomly select at least 400 names from the Portland and Pendleton qualified jury wheels:

<u>Jury Division</u>	<u>Formula Calculation</u>
Portland	92% times 400 names = 368 names
Pendleton	8% times 400 names = 32 names

DONE AND ORDERED this 30th day of March, 2015 in Portland, Oregon.
